

CONSTRUCTION & DEMOLITION RECYCLING PROGRAM REGULATIONS

California State Law AB341, CalGreen Building Code, and Tulare County Construction & Demolition (C&D) Ordinance No. 3321 have established regulations for mandatory waste diversion requirements for construction and demolition projects.

You are required to divert a minimum of 50% C&D debris and 100% of your inert material (cement, dirt, brick, asphalt, etc.) from landfills.

Many of the (C&D) debris may be successfully diverted through recycling or reuse.

Contractors working on Non-Covered Projects are encouraged to divert material from construction and demolition projects to the maximum extent.

DIVERSION REQUIREMENTS

Inert Materials - 100% diversion required.
All Other materials - at least 50% diversion required.

HOW TO COMPLY

- Complete the C&D Debris Recycling and Reuse Plan Application Form.
- Contact **Tulare County Solid Waste at (559) 624-7195** for all C&D debris hauling within the Tulare County.
- For self-haulers, identify your construction debris as C&D originating from either the County, Exeter, or Farmersville to the vendor or the landfill gate attendant.
- Asphalt Shingles must be kept separate and delivered to WC Wood Industries 7715 Ave 296, Visalia, (559) 625-9426.
- Obtain a weight ticket for the delivered material.
- Attach the weight ticket to the C&D Recycling Plan application.
- Submit the weight tickets and completed form to the Tulare County Permit Center (5961 S. Mooney Blvd.) before requesting a final for your project.

PROJECTS THAT MUST RECYCLE C&D DEBRIS

C&D and CalGREEN CODE REQUIREMENTS

- A New Construction
- All Demolitions
- All Residential Additions and Alterations.
- Commercial Additions: \geq than 1,000 sq.ft.
- Commercial Alterations: \geq \$200,000
- Commercial Isolated Job sites - alternate waste reduction methods may apply (*Exceptions to 5.408.1.1 & 5.408.1.2*)
- Residential: Low-rise 3 stories or less - Minimum 50% or more C&D Waste Diversion or less than or equal to 4 lbs./sq.ft.
- Residential: High-rise 4 stories or more - Minimum 50% or more C&D Waste Diversion or $<$ 2 lbs./sq.ft.
- 50% or more C&D Waste Diversion, or less than 2 lbs. /sq.ft. disposal and may be required to submit a construction waste management plan or utilize a waste management company.
- Tier 1 Voluntary: \geq 65% C&D Waste Diversion.
- Tier 2 Voluntary: \geq 80% C&D Waste Diversion.

COUNTY-SPONSORED CONSTRUCTION COMPLIANCE

- All new residential, multi-family, or commercial construction.
- All demolitions and renovations: \geq 1,000 sq.ft.
- All County Public Works and construction projects awarded pursuant to the County's competitive bid.

APPLICANT MUST SUBMIT ALL WEIGHT TICKETS/RECEIPTS IN A TIMELY MANNER TO RECEIVE A PROJECT FINAL

- Projects that qualify under the Tulare County's C&D Ordinance and CalGreen Code must submit all disposal weight tickets from every vendor or facility that collected, transported, or received any project C&D debris.
- Submit the completed C&D Debris Recycling and Reuse Plan along with the weight tickets/receipts to the Tulare County Building Permit Center at 5961 S. Mooney Blvd.
- The applicant is responsible for ensuring that the recycling requirements are met for all waste generated on site, including waste generated by contractors and subcontractors.
- A penalty may be imposed if the requirements of the C&D Debris Ordinance are not met or an applicant knowingly submits false documentation. A lien may be placed on the subject property for any unpaid penalties.

TULARE COUNTY LANDFILLS

All landfills accept commingled C&D Materials. Landfills are CLOSED on Sundays, New Years Day, Memorial Day, 4th of July, Labor Day, Thanksgiving and Christmas Day.

- TEAPOT DOME LANDFILL - 21063 Ave 128, Porterville
- VISALIA LANDFILL - 8614 Avenue 328 at Road 80, Visalia

C & D CONSTRUCTION AND DEMOLITION RECYCLING PROGRAM

Tulare County
Resource Management Agency
BUILDING PERMIT CENTER
5961 S. Mooney Blvd.
(559) 624-7000

April 2014

C&D DEBRIS DIVERSION

Every construction and demolition permit involving any covered project shall fill out a C&D Recycling Plan Application and submit it to the Tulare County Building Permit Center (5961 S. Mooney Blvd.) along with building plans.

Submit a completed C&D Debris Recycling and Reuse Plan along with weight tickets and receipts to the Tulare County Building Permit Center (5961 S. Mooney Blvd.) before the project is finalized.

KEEP ALL RECYCLING, C&D, AND LANDFILL RECEIPTS

All landfill tickets must have the permit number and construction site address written on them. These receipts need to be submitted in a timely manner to avoid permitting delays, and are necessary for the mandatory C&D Debris Recycling and Reuse Plan compliance report which must be submitted to the Building Official within 30 days of project final.

- Applicants may self-haul C&D materials to any permitted C&D Recycling Facility (listed).
- Self-haulers MUST advise the landfill gate attendant that they are disposing of covered C&D material or landfill waste in order to receive the required C&D debris weight ticket/receipt.
- If the applicant is not able to or chooses not to self-haul, the applicant must use a certified hauler to transport all C&D materials within the Tulare County limits if the applicant is disposing of covered C&D material or landfill waste in order to receive the required C&D debris weight ticket/receipt.

COVERED PROJECT MATERIALS

Used or commonly discarded materials generally considered to be not water soluble and non-hazardous in nature, including but are not limited to:

- Acoustic ceiling tile
- Asphalt shingles (Take to WC Wood Industries)
- Asphalt, concrete, shotcrete, and other masonry building materials including brick, rock, and stone
- Cardboard
- Glass
- Gypsum drywall
- Plastic pipes and buckets
- Hardiplank siding and boards
- Job Office Materials: paper, bottles, cans, plastic, etc.
- Metals such as rebar, pipes, siding, window frames, door frames, or fences
- Pallets, Rigid or fiberglass insulation
- Salvageable materials and structures including doors, windows fixtures, light and plumbing fixtures, hardwood flooring, sinks, bathtubs, and appliances
- Vegetation including trees, shrubs, stumps, logs, or brush *(Excluded vegetation: bamboo, palm fronds, and yucca. Place these plant materials in the trash.)*
- Wood that is not chemically treated, CCA pressure-treated, painted, or stained
- See the C&D Ordinance for a full list of recyclables.

DIVERSION SOLUTIONS

BUILDING MATERIALS AND HOUSEHOLD GOODS

- Habitat for Humanity, 734-4040, www.hfhctc.org
637 W. Lovers Lane, Visalia. Accepts donations of gently used and new building materials and household goods.

DEMOLITION CONTRACTORS:

- Bowen Engineering, 733-7464
4664 S. Cedar Ave, Fresno
- Bryan Company, 732-3516
PO Box 2565, Visalia
- Kroeker Inc. (Demo & Recycling), 237-3764
4627 S. Chestnut, Fresno
- MD Concrete Cutting & Demolition 624-4200
7533 Avenue 304, Visalia
- Vollmer Excavation, LP, 568-0178
PO Box 1239, Strathmore

DIRT:

- Teapot Dome Landfill, 624-7195
21063 Ave 128, east of Road 208, Porterville
- Visalia Landfill, 624-7195
8614 Avenue 328 at Road 80, Visalia
- JV Recycling, 685-0504
3345 S. "K" St, Tulare
- Pena's Disposal, 528-3909
12094 Avenue 408, Cutler
- Porterville Rock & Recycle, 781-6389
14200 Road 284, Porterville
- Wood Industries Co., 625-9426
7715 Avenue 296, Visalia

DRYWALL:

- WC Wood Industries Co., 625-9426
7715 Avenue 296, Visalia

INERT MATERIALS:

- Glen Wells, 625-0695
30486 Rd. 64, Goshen
- JV Recycling, 685-0504
3345 S. "K" St, Tulare
- Pena's Disposal, 528-3909
12094 Avenue 408, Cutler
- Porterville Rock & Recycle, 781-6389
